

We appreciate the wonderful service organizations, companies, schools and industries that exist in our community; however, it's the *individuals* in those entities that create "greatness."

The Extra Miler program is designed to recognize and pay tribute to those folks who perform their jobs or volunteer in the community with a smile and offer excellent service. If you know someone who has gone the Extra mile to make our community a better place, you can nominate them by contacting Christy Hayes at the Chamber office at 455-5497 and requesting an Extra Miler Nomination form.

Johnny and Linda Cantrell are saluted for performing the following service:

For 12 plus years, Johnny and Linda have owned the Sears store in Tullahoma. Their commitment to this community and dedication to their jobs is an asset for all of us to follow. On most days, you will be greeted with a "hello and welcome to Sears attitude" or a "thank you for coming, goodbye". This friendly attitude makes customers feel appreciated and keeps them coming back again and again. From ownership to management to delivery, the Cantrells are a one stop shop and their hard work does not come unnoticed.

Diane Bryant of the Tullahoma Area Chamber of Commerce is saluted for performing the following service:

Every Extra Miler Award is very special, but this one is extra special because it's not for a one time occurrence, but for a continuing daily effort to get the job done whatever it may be, and thus leading the continuing charge toward excellence. The recipient is a coordinator, motivator, regulator, delegator, stimulator, and sometimes dictator, but never a hesitator in getting the job done.

She works timelessly and diligently at promoting and advocating for the betterment of city, county, state and nation. It's a big job trying to change the whole world, but it can be done by each of us if we'd only start with ourselves, the only guaranteed place we have influence. With each day comes a new opportunity to make a difference, by going the Extra Mile.

The Tullahoma Area Chamber of Commerce Salutes you!
